* Top five features are repeated in bold under respective categories

SEWING FEATURES

The Original IDT™ System – Integrated Dual Feed only from PFAFF® for over 40 years! Absolutely even fabric feed from both the top and the bottom.

PFAFF® Original Presser Foot System – Many optional accessories available to expand the sewing experience.

70 Stitches – A wide variety of beautiful 7mm stitches, including utility stitches, buttonholes, decorative stitches, quilt stitches, needle art stitches and satin stitches.

Beautiful Appliqué Pin Stitch – Adjustable; easy to achieve your desired result.

Start/Stop Button – Press the Start/Stop button to sew without the foot control. Makes sewing long seams, free-motion and buttonholes easy.

Speed Slider – Adjust the speed with the speed slider for full control.

One-step Buttonhole – Snap on the buttonhole foot and sew repeatable buttonholes smoothly.

Free-motion Sewing – Simply attach the optional free-motion presser foot and lower the feed dogs for easy quilting.

SEWING FEATURES

External Feed Dog Drop – Convenient location; lower the feed dogs from the back of the free arm. Ideal for stippling, free-motion embroidery or darning.

Extra-high Presser Foot Lift – Raises the presser foot to its highest position so that thick fabrics can be placed easily under the presser foot.

Presser Foot Pressure – Can be adjusted for specialty techniques or when sewing on light or heavy fabric.

Adjustable Thread Tension – Depending on the fabric, batting, thread, etc., the thread tension dial can be set to make the threads meet evenly between the two layers of fabric.

Needle Up/Down – Touch a button to set your needle to automatically stop up or down in the fabric for pivoting, appliqué and more. Tap the foot control to shift between needle up/down position.

Immediate Tie-off – When the button is pushed, the machine will tie-off automatically for a quick and easy finish.

29 Needle Positions – Perfect for topstitching, quilting, inserting zippers and more.

Integrated Needle Threader – Makes threading the needle fast and easy.

Stitch Plate – Markings to the left and right of needle help you guide your fabric.

Snap-on/Snap-off Presser Feet – Changing is easy, no screw driver or other tools are needed.

Top Loaded Bobbin – Easy to access.

Electronic Needle Piercing Power – Full piercing power at any speed with total control.

Two Spool Pins – For twin needle sewing or specialty sewing.

Accessory Feet Included – 6 different presser feet for all your basic needs.

MACHINE FEATURES

Compact/Portable Sewing Machine – Perfect for taking to classes and for travel (lightweight: 13.9lbs/6.3kg).

PFAFF® Design – Built for precision, helping you achieve professional results with comfort and ease.

Two LED Light Sources – Optimized bright lights illuminate your sewing area without shadows.

Stitch Menu Tab – Convenient location on the right side of the machine. Pull out to view the complete collection of stitches.

Hard Cover – Protects your sewing machine when transporting it; keeps it dust free.

Accessory Tray – Keep all your sewing needs at your fingertips.

Extension/Quilt Table – Optional extension table provides support for your projects.
